

New Consulting member Firm for the
MOORE Network in Latin America:

Moore GSF

Dear partners at Moore Latin America,

We are pleased to announce the entry of a new Consulting member Firm for the MOORE Network in Latin America:

Moore GSF

GSF Global (Grupo San Francisco) was founded at the beginning of 2018, when four professionals, executives of the banking sector for many years, even occupying highly relevant positions as members of the board of directors of several banks in Latam, identified a business opportunity in the area of business and financial management consulting in Venezuela, offering pragmatic and realistic alternatives from the executive and operational knowledge of the management of companies in emerging and sub-border economies.

Each of the partners has specialized training in the following consulting areas: Corporate Finance, Business Strategy, Organization and Processes, Corporate Governance, Human Resources, Innovation and Digitization.

GSF has created an alliance with the member Firm Moore Cifuentes, Lemus & Asociados in Venezuela, and that's how they connected with MOORE.

The range of services offered by Moore GSF includes: Company Purchase and Sale Mandates, Valuations, Due Diligence, Debt and Stock Structuring, M&A, Macro and Microeconomic Analysis, Business Plans, Commercial Chain Development (Products-Channels-Segments), Customer Experience, Strategic Planning, Corporate Governance and Family Business Management, Risk Management, Strategic Communication, Operational Finance, various services related to Human Resources, such as Headhunting, Leadership, Succession Planning, Compensation and incentives, Diagnosis and management of Organizational Culture and Climate, Management of Changes and Crisis.
